Important Information

GlobeCast WorldTV is the billing agent for various broadcasters including the broadcaster(s) providing you with direct-to-home programming by subscription. The broadcaster is solely responsible in determining whether the service is subject to any Federal, State or Local taxes. Should the broadcaster determine your subscription is subject to tax, GlobeCast WorldTV will charge you the tax on its behalf. In order to continue receiving the satellite programming, you have agreed to pay the amount billed in advance of receiving the program services including payment of taxes and charges as required by law and regulation.

Additional charges that apply are as follows:

- 1) **Smartcard Deposit:** You are responsible for a \$25.00 Smartcard deposit fee per Smartcard that is due either at the point of sale, or will appear on your first invoice. This deposit also applies for replacements should you damage or lose the Smartcard, and the previous deposit is non-refundable. The Smartcard deposit will be refunded once your account is permanently cancelled. You are eligible for a refund only if the Smartcard is returned within 30 days from the cancellation date. Otherwise, your Smartcard deposit will not be refunded.
- 2) **Service Disconnection:** If we do not receive your payment by the bill's due date, your service may be disconnected without notice and is subject to a reconnection fee.
- 3) **Late Fee:** A monthly \$5.00 late fee will be charged against accounts with outstanding payments.
- 4) **Reactivation Fee:** To reconnect cancelled subscriptions or accounts disconnected due to failure to pay, a \$25.00 reconnection fee applies.
- 5) **Returned Payment Fee:** If any bank or other financial institution refuses to honor any payment, draft or instrument submitted for payment to your account, you will be charged a service fee of \$30.00.
- 6) **Explanation of Invoice:** You will pay one month in advance, at our rates in effect at the time, for all services ordered by you or anyone who uses your receiving equipment. If you are activating your service for the first time, or if you decide to add services in the middle of your billing period, you will receive a prorated month charge for the services added.
- 7) **WorldTV Promotions:** Subscriptions acquired through Promotions and/or Pre-paid offerings are non-refundable and non-retroactive
- 8) **Vacation Status:** An account may be set to vacation status by the subscriber and will be charged a monthly fee of \$5.00.

You have been provided with a Smartcard that is designed to work only with your receiver. The Smartcard cannot be transferred and is the property of GlobeCast WorldTV. Tampering with the Smartcard is strictly prohibited.

Occasionally, conditions and considerations change which affect the availability, variety, cost or quality of satellite programming and customer demand. The events that cause such changes are usually uncontrollable and cannot be anticipated. Consequently, programming can change as well as the programming service being offered. Whenever possible, you will be given reasonable notification of any change. Of course, you then will have the right to elect to receive different programming or cancel the service.
